the Venetian black nobility of history
0:02
the nation of land times by pendra these
0:06
people earned the title of black
0:08
nobility from their ruthless lack of
0:10
scruple they employed murder rape
0:13
kidnapping assassination robbery and all
0:16
manner of deceit on a grand scale
0:18
Brooking no opposition to attaining
0:21
their objectives these all have immense
0:23
wealth and money is power the most
0:27
powerful of the black nobility families
0:29
are located in Italy Germany Switzerland
0:32
Britain Holland and Greece in that order
0:35
their roots may be traced back to the
0:38
Venetian oligarchs who are of Qasr
0:40
extraction and married into these royal
0:42
houses in the early part of the 12th
0:45
century following a great kind of
0:47
victory over the Arabs the future
0:49
Emperor Constantine v marry the Kaiser
0:52
princess and their son became Emperor

0:55
Leo the fourth also known as Leo the
0:57
cutter the Medici Pope's Pius the 12th
1:01
Eugenio Pacelli and John Paul the second
1:04
work Isis not all black nobility are
1:07
royal houses and many of the royal
1:09
families no longer have kingdoms
1:11
according to researcher and author dr.
1:14
John Coleman a committee of 300 was
1:17
established early in the 18th century
1:19
although it did not take on its present
1:21
form until around 1897 when the China
1:25
opium trade was legalized documentary
1:28
proof as to the existence of the
1:30
committee of 300 is not forthcoming and
1:33
it may be no more than a convenient
1:35
phrase to describe certain key players
1:37
socialist politician and financial
1:39
advisor to the Rothschilds Walther
1:42
Rathenau
1:43
writing in the Wiener press 24th of
1:46
December 1921 said only 300 men each of
1:51
whom knows all others governed the fate
1:52
of Europe they select their successors

1:55
from their own entourage these men have
1:58
the means in their hands of putting an
2:00
end to the form of state which they find
2:02
unreasonable exactly six months after
2:05
publication wrath now was assassinated
2:09
dr. Coleman's work opens the door to
2:11
further studies on
2:13
members of the ruling elite particularly
2:16
in America whereas the English have a
2:18
long history and are very aware of their
2:20
ancestry certain families of Blue Bloods
2:23
in the United States that have historic
2:25
ties with the British through blood and
2:27
money these noble families are behind
2:30
most if not all of the so-called
2:32
pro-environmental movements that are
2:33
actually intended to curb the population
2:36
growth of all nations Prince Philip and
2:39
Prince Charles are the most visible
2:40
symbols of this movement and are a true
2:42
part of this conspiracy to destroy
2:45
industry and take the world back to a
2:47
new Dark Age most if not all the crowned

2:50
and underground heads of these dynasties
2:52
enjoy huge incomes from ground rents or
2:56
favored global 2000 report to the
2:58
president that's calculated to end all
3:00
industrial progress and by famine
3:03
disease and Wars eliminate the excess
3:06
population industry supports all oppose
3:09
nuclear power that can produce clean
3:11
cheap electricity the key to economic
3:14
development and prosperity in the third
3:16
world they ardently desire a return to
3:19
the feudal system where they were once
3:21
again be absolute rulers while
3:24
professing Christianity the oligarchical
3:27
families for the greater part actually
3:29
despise it in secret masonry provides
3:33
their religious fulfillment and without
3:35
faith they have no belief in reward or
3:38
punishment and a world to come they live
3:41
the here and now
3:42
many of these oligarchies are in the
3:45
drug and arms trade through well
3:46
distanced intermediaries like so many of

3:49
the large banks in 1815 the Jesuits and
3:53
their Freemason allies among the crowned
3:55
heads of Europe held the Congress of
3:57
Vienna whereby Swiss neutrality already
4:01
sanctioned by the Peace of Westphalia in
4:03
1648 was forever guaranteed and no
4:07
matter how many wars are provoked in
4:09
which the common man has to do the
4:10
fighting the money of the nobility and
4:13
Switzerland should always be free from
4:15
plunder it's part of Rothschilds
4:17
meticulous long-range planning and why
4:20
Switzerland exists to this day but that
4:23
doesn't mean to say your money would be
4:25
safe so
4:26
280 billion US dollars PA in flight
4:29
capital and drug money flows into the
4:32
Swiss accounts of the black nobility the
4:35
place of Freemasonry in the power
4:37
structure of the elites is quite evident
4:39
as they carried throughout of why
4:41
Schultz conspiracy to avenge the Jesuits
4:43
after their abolition in 1773 by

4:46
short-lived Pope Clement the 14th as
4:49
immoral and a menace to the church and
4:51
the faith by launching the French
4:53
Revolution and directing Napoleon's
4:55
conquest of Catholic Europe and by
4:57
revolts against the church in Mexico and
5:00
Latin America they cut off Vatican
5:03
income
5:04
Nathan Rothschilds financing of Britain
5:07
resulted in the defeat of Rome's enemy
5:09
Napoleon as well as being the source of
5:11
his wealth and influence since Gregory
5:14
the sixteenth conferred a papal
5:16
declaration on Kuhlman Rothschild for
5:18
loaning the Vatican five million pounds
5:21
in a period of difficulty the
5:23
Rothschilds have been the fiscal agents
5:25
of the Vatican with Vatican interests at
5:28
heart
5:28
the Rothschilds extended their financial
5:31
and political Dominion in the United
5:33
States the Vatican's interest in the
5:36
u.s. was clearly revealed in the secret

5:38
1822 Treaty of Verona between Austria
5:41
France Prussia and Russia whereby the
5:44
Jesuit Order pledged itself as the price
5:46
of reinstatement to destroy the works of
5:49
Satan it had established in setting up
5:51
by revolution representative governments
5:54
such as the Republic's and democracies
5:56
of France and the USA replacing them
5:59
with the only form of government
6:01
approved by the church rule by divine
6:03
right as declared by the Vatican Daniel
6:06
2 : 42 43
6:09
revelation 17 : 1213 as Senator Robert
6:13
Owen pointed out to the US Senate in
6:16
1916 the prime target to which the
6:19
Vatican and the Holy Alliance directed
6:21
the subversive and destructive
6:23
activities of the Society of Jesus is
6:25
the United States and other Republic's
6:28
in the Western Hemisphere
6:29
this plot he claimed was the target at
6:33
which the Monroe Doctrine was directed
6:35
what the senator did not realize is that

6:38
the Monroe Doctrine protects the
6:40
interests of the City of London the
6:42
Rothschild Vatican cabal unsuccessfully
6:45
attempted to gain control over the power
6:47
of the purse in the u.s. through the
6:49
first and second bank of the United
6:51
States they were established under
6:54
emergency powers granted to the
6:56
president by the Constitution as
6:58
temporary institutions to tide the
7:00
country through the periods of financial
7:02
stress occasioned by the Revolutionary
7:05
and 1812 Wars but the aims of the
7:08
conspirators to establish a banking
7:10
monopoly were thwarted by the
7:11
Constitution until the Fed it is said
7:15
the black nobility promised a neutral
7:18
Germany if Soviet Russia allowed East
7:20
and West Germany to reunite and that
7:23
Russia promised to see that all royal
7:25
houses are restored to the rightful
7:27
heirs if they decouple Europe from the
7:29
American alliance imperial nobility

7:32
enjoy a more elevated status than the
7:35
nobilities of the German success estates
7:37
and indeed of the Italian states the
7:40
descendants of Italian Holy Roman Empire
7:43
titles have formed an association to
7:45
which all may align descendants of
7:47
someone enabled by imperial patent is
7:49
entitled to belong and the Principality
7:52
of Liechtenstein has also claimed the
7:54
ability to confirm a succession to
7:56
imperial titles and has confirmed the
7:59
right of a Spanish nobleman to air such
8:01
a title for purposes of the Spanish law
8:04
requiring the successor state to confirm
8:06
the de claimant to a particular title is
8:08
in fact the heir thus there is remaining
8:11
jurisdiction even though no imperial
8:13
titles have been conferred since 1806 in
8:18
1963 the Holy Roman Empire Association
8:21
Association globally del sacra Romano in
8:24
Peru was established to unite male
8:27
descendants in its membership who are
8:29
invested with nobility of the Holy Roman

8:31
Empire it also includes a number of
8:34
honorary members the black nobility
8:36
belong to the committee of 300 that
8:39
controls the UN Prince Bernhard of the
8:42
Netherlands has the power to veto the
8:44
Vatican's choice of any Pope it selects
8:46
this may explain the untimely end to
8:49
Pope John Paul II first as 33-day
8:52
pontificate
8:53
the prince had veto power because his
8:56
family the Habsburgs i descended
8:58
directly from the last roman emperor the
9:01
Habsburg Frederik the third was the last
9:04
emperor to be crowned in Rome his
9:06
great-grandson Charles the fifth was the
9:08
last to be crowned by a pope this is the
9:11
civil equivalent of the Pope's claimed
9:13
Epis taluk succession from st. Peter
9:15
Prince Bernhard is leader of a black
9:18
families and he also claims descent from
9:21
the house of David through the Moravian
9:23
and dynasty a claim that it was
9:24
acknowledged to be valid by the

9:26
Carolingian dynasty that supplanted them
9:29
by other monarchs and by the Roman
9:31
Church of that time thus he can truly
9:33
say that he is related to Jesus Prince
9:37
Bernhard House of orange had its origins
9:40
in France the Habsburgs are related
9:42
through marriage with the Moreau
9:44
villains who are said to have descended
9:46
from the tribe of Benjamin who went into
9:48
exile following war with the other 11
9:50
tribes C Judges chapter 21 exile took
9:54
them to Arcadia in the central pillar
9:56
pond Nez Greece here they aligned with
9:59
the Arcadian royal line and towards the
10:01
advent of the Christian era migrated up
10:04
the Danube and Rhine through marriage
10:06
engendering the sick Umbreon franks the
10:09
immediate forebears of the Moreau
10:10
villains who were ultimately of Semitic
10:13
origin and descendants of King Saul they
10:16
are identified with the Spartans and
10:18
both books of Maccabees linked the
10:21
Spartans with the Jews I Maccabees 12

10:24
tells of Jonathan sending a letter to
10:26
the laced dominions Spartan Greeks
10:28
asking for their help since they were
10:30
brethren the Spartans replied it is
10:33
found in writing with the laced
10:35
dominions and jouza brethren and they
10:38
are of the stock of Abraham verse 21 it
10:41
is assumed by some writers that this
10:43
means the Spartans were Israelites but
10:46
the Spartans were not Israelites they
10:48
were Edomites descended from below son
10:50
of burned brother of Balon and king of
10:52
Edom Genesis 36 hours 32 minutes i
10:56
chronicles 143 Adam was the son of Isaac
11:00
and grandson of Abraham who sold his
11:02
birthright and bred his posterity off
11:04
the book of life
11:06
early in the fifth century the Meroe
11:08
Venant established themselves in what is
11:11
now Belgium and northern France they
11:13
adopted the Kabbalistic pseudo
11:15
Christianity of the Cathars a dualistic
11:18
religion that holds there are two

11:19
eternal gods the god of good and the God
11:22
of evil it is revealing that this
11:24
Luciferian belief is held by masons of
11:27
high degree and those who would be
11:29
masters of this world today and who
11:31
claim that Lucifer will ultimately be
11:33
victorious and the Clovis AI who reigned
11:36
from 481 511 the Franks converted to
11:41
Roman Catholicism through him Rome began
11:44
to establish undisputed supremacy in
11:47
Western Europe in return for being the
11:50
sword of Rome whereby the church would
11:52
manifest her power and impose a
11:53
spiritual Dominion Clovis was granted
11:56
the title of new constant time and to
11:58
preside over a unified Holy Roman Empire
12:01
based on the church and administered on
12:03
the secular level in perpetuity by the
12:05
Moravian and bloodline like the sure
12:08
mercies of David this was a pact that
12:10
could be modified but not revoked broken
12:13
or betrayed when in 496 the church
12:17
pledged itself in perpetuity to the

12:20
Moravian and bloodline it was presumably
12:22
in full knowledge of their claimed
12:24
identity this would explain why Clovis
12:27
was offered the status of Holy Roman
12:29
Emperor and why he was not created but
12:31
only crowned king in 754 the church
12:35
clandestinely betrayed its pact the
12:38
preorder sign is the name of the secret
12:41
order which created the Knight Templars
12:43
as if military and administrative arm it
12:46
should be remembered that the Knight
12:48
Templars were the forerunners of
12:49
Freemasonry the pre-order cyant
12:52
continues to function through the
12:54
centuries acting in the shadows and has
12:56
orchestrated certain critical events in
12:59
Western history it exists today and is
13:02
still operative it's declared objective
13:05
is the restoration of the morovia and
13:07
dynasty and bloodline to the throne not
13:09
only a France but of other European
13:11
nations as well a restoration that is
13:15
sanctioned and justifiable both legally

13:17
and morally
13:19
there is strong evidence to suggest that
13:21
this order was the author of free
13:23
masonry and the protocols of the learned
13:25
Elders of Zion as well as the
13:27
Rosicrucians there is abundant evidence
13:30
to suggest that Nostradamus was one of
13:33
their secret agents and there is no
13:35
question that numerous quatrains which
13:37
refer to the advent of legrand monarch
13:40
indicate that this sovereign will
13:41
ultimately derive from the morovian and
13:43
dynasty implying a double hegemony of
13:46
the papacy and the empire of the Vatican
13:49
and of the Habsburgs he frequently
13:51
referred quite explicitly to the Knights
13:53
Templars and to the house of lorraine
13:56
which is now synonymous with the
13:57
Habsburgs although deposed in the 8th
14:00
century the Moreau villain bloodline did
14:03
not become extinct on the contrary it
14:06
perpetuated itself in a direct line from
14:08
Dagobert - and his son fishes but for by

14:12
dint of dynastic alliances and
14:14
intermarriages this line came to include
14:16
rod Frodo boo-yan who captured Jerusalem
14:19
in 1099 and various other noble and
14:23
royal families past and present
14:25
Lansford Jace's st. Claire Sinclair in
14:28
England montesque Mont lat hooha
14:32
Louise lignin planted and
14:34
habsburg-lorraine at present the
14:36
Moravian and bloodline enjoys a
14:38
legitimate claim to its heritage the
14:41
crown of Charlemagne a replica of which
14:44
is now part of the Imperial Habsburg
14:46
regalia is said to have borne the
14:48
inscription rex salomon encyclopedia
14:51
britannica xiv
14:52
said 1972 crown and regalia figure - and
14:57
the spear of destiny which is said to
14:59
have pierced Christ reside today in the
15:02
treasure house Vienna awaiting another
15:04
Holy Roman Emperor the Rigby joy of
15:07
knowledge library history and culture I
15:11
1977 - 160 the Holy Roman Empire

15:15
Friedrich air P 284 it is clear why the
15:21
protocols of the Elders of science speak
15:23
of a new king of the holy seed of David
15:25
Holy Blood and the Holy Grail agent Lee
15:28
and Lincoln Otto von Habsburg
15:31
today the titular duke of lorraine and
15:33
king of jerusalem the pre Eurydice and
15:36
claim to hold the lost treasure of the
15:38
Temple of Jerusalem plundered by Titus
15:41
in AD 70 which would be returned to
15:43
Israel when the time was right this
15:46
might explain why Rome must defer to the
15:49
kings of the earth and how she will seal
15:51
a covenant with the Jews who have long
15:52
hidden behind the shield of baptism
15:55
Prince Bernhard is in fact related to
15:58
the causes and therefore a Gentile
16:00
revelation to 2:9
16:02
I know thy works and tribulation and
16:05
poverty but you are rich and I know the
16:08
blasphemy of them which say they are
16:09
Jews and are not but are the synagogue
16:11
of Satan assisted by the CIA II Prince

16:16
Bernhard has brought the hidden ruling
16:18
body of the Illuminati into public
16:20
knowledge as debile de Burgh group
16:22
established in 1954 its headquarters is
16:26
one Smith's water then hog Meadowlands
16:29
at the heart of the Bal de Burgh group
16:32
are 39 members of the Illuminati chosen
16:35
from three committees drawn from the
16:37
members of all the secret groups that
16:39
comprise the Illuminati the Freemasons
16:41
the Vatican and the black nobility this
16:44
committee works year-round in offices in
16:47
Switzerland the committee of 300 now
16:50
call themselves world government
16:52
founders for the NWO a reference no
16:55
doubt - their hereditary claim to the
16:57
Divine Right of Kings it is imperative
17:00
that we realize that privately the black
17:03
nobility refused to ever recognize any
17:05
government other than their own
17:07
inherited and divine right to rule they
17:10
believe the United States still belongs
17:12
to England and work diligently behind

17:14
the scenes to cause conditions whereby
17:16
they might regain their crowns every
17:19
royal and so-called Noble dynasty past
17:21
and present of Europe have seats on the
17:24
committee of 300 most often by nominees
17:27
there are just too many of these royal
17:30
families for them each to have
17:31
representatives on the committee of 300
17:34
precedents is determined by rank first
17:37
royal family members then Dukes Earls
17:40
mark races and Lords then finally
17:44
commoners
17:44
usually get the title of sir
